Using Your New AIT Campus Card for Photocopying

1. Default Display
   When not in use the reader alternates between these screens:

   ![Default Display Screens]

2. Insert Your Card
   When you insert your card the reader briefly displays this screen:

   ![Insert Card Screen]

3. Photocopying
   As you photocopy, the reader display alternates between the two screens to the right:

   ![Photocopying Screens]

4. Finish
   When you have finished photocopying press the stop key. The screen to the right is displayed:
   Wait until you see the screen displays "PLEASE TAKE CARD" before removing your card.

   ![Finish Screen]

5. Don’t Lose Money!
   If you remove your card too early you will hear a bleeping noise and the screen to the right will display.
   If you do not insert your card in time you will lose 5c.
