Practical section

Try referencing these following examples using the information given in the first half of the booklet
In-text citation examples below: Choose one to answer (time 2 minutes)
These in text examples are taken from the book: Sociology by Anthony Giddens, 6th edition published in 2009. (Assume all examples are on page 22 in answers)

Paraphrase (put an idea in your own words) the following example with in text citation included

People of Indian origin, by contrast, are as likely as whites to occupy detached or semi-detached homes and are less likely than other ethnic groups to reside in inner-city neighbourhoods. African-Caribbean

Answer:

Do a direct Quote and in-text citation of the following

Ethnic minorities in Britain, as elsewhere, tend to experience discrimination, harassment and material deprivation in the housing market. Since the early calls for integration control, housing has been...

Answer:

Paraphrase the following example of a source within another source as an in-text citation only.

far from a unified picture. Certain groups, such as those of Indian origin, have attained very high levels of home ownership, while others are clustered disproportionately in substandard accommodation or the social housing sector (Ratcliffe 1999).

Harvard In text citations: Answers

Paraphrase (put an idea in your own words) the following example with in text citation included

People of Indian origin, by contrast, are as likely as whites to occupy detached or semi-detached homes and are less likely than other ethnic groups to reside in inner-city neighbourhoods. African-Caribbean

One possible answer (a number of variations are possible):

People of Indian origin have comparable home quality to whites and are also less likely to live in an inner city area than other ethnic groups (Giddens, 2009, p.22)

Do a direct Quote and in-text citation of the following

Ethnic minorities in Britain, as elsewhere, tend to experience discrimination, harassment and material deprivation in the housing market. Since the early calls for

Answer:

‘Ethnic minorities in Britain, as elsewhere, tend to experience discrimination, harassment and material deprivation in the housing market.’ (Giddens, 2009, p.22)

Paraphrase the following example of a source within another source as an in-text citation only.

far from a unified picture. Certain groups, such as those of Indian origin, have attained very high levels of home ownership, while others are clustered disproportionately in substandard accommodation or the social housing sector (Ratcliffe 1999).

One possible answer: Some racial groups including those from India have good levels of home ownership and other racial groups live in sub-standard housing (Ratcliffe, 1999, cited in Giddens, 2009, p.22)
